## JEFFERSON CIRCUIT COURT.

### Fifteenth Day's Proceedings.

Pursuant to adjournment, the Jefferson Cir-  
cuit Court, the Hon. P. B. Blair on the bench,  
met at 9 o'clock yesterday morning, when the  
following business was transacted:

**Isaac R. Green,** charged with maliciously  
stabbing and wounding policeman John Maritz,  
was found not guilty.

**William Olin,** charged with burglary, was  
found guilty, and convicted for two years.

**Charles Hines,** indicted for larceny, was  
found guilty, and sent up for two years.

The case of **Robert Smith,** charged with the  
murder of Fred Lowndes, was continued un-  
til the next term, and a motion made by his  
counsel to admit him to bail, which motion  
will be argued during the present term.

During the past two weeks several persons  
committed to answer the charge of murder  
have been admitted to bail, and we can see  
no reason why Smith should be made an ex-  
ception to the rule.

The cases of the Commonwealth against  
Sarah Arthurs, charged with negro stealing,  
Charles Lash, Pat. Morgan and William Clark,  
indicted for grand larceny, were continued  
until the next term; and also the case of  
Newton, charged with manslaughter, and  
Jas. Getty, charged with robbery.

In the case of **Eliza Corley, John Wells**  
and **Edward Houghton,** indicted for grand  
larceny, *nolle prosequi* were entered, and the  
parties were discharged.

The first case to be tried to-day will be that  
of **W. J. Gray, senior,** indicted for the murder  
of policeman Edward Bond.

**"FRESH FISH."**—Not before last three or  
four soldiers belonging to a Chicago battery  
were arrested by the patrol guard, for disorderly  
conduct, and taken to the guard house at  
the barracks on Main street, to be im-  
prisoned there. They did not like the idea of  
being made to associate with bountied jumpers,  
deserters, etc., and refused to be put in. Per-  
suasion being of no use, the clerk and  
guards in the office concluded to try force,  
when a general fist fight followed. Two or  
three of the battery boys were knocked down,  
and afterwards all of them were put in the  
guard house, greeted by vociferous cries from  
the inmates of the "fish-bath."

**POLICE PROCEEDINGS.**—Tuesday, Jan. 24.  
There was but a small amount of business  
before the Police Court. The following were  
disposed of:

**Nancy Hawkins,** stealing \$10 from Rhea  
Austin. Discharged.

**E. H. Brewer** and **R. A. Myers,** drunk and  
disorderly. Referred to the military.

**Leroy Kauch,** shooting and wounding Ar-  
chie, a slave, and injuring the property of Mr.  
Ovington. Waived an examination and gave  
bonds to answer.

One or two ordinances were disposed of.

**BARRACKS NO. 1.**—Major Norris and his aide  
made arrangements in regard to the issue  
of rations to the destitute soldiers' families in  
this city. Colonel T. B. Fendick, command-  
er of this, is in Washington City at pres-  
ent, and it is to be hoped he will make an ef-  
fort while there to have something done to  
wards alleviating the wants and sufferings of  
the destitute in this city.

**APPOINTED.**—N. R. Foster, private Second  
Ohio; C. P. Oyer, private Forty-ninth Illinois;  
and M. H. Church, Sergeant Eighty-third In-  
diana—clerk at headquarters Army of Tennessee.  
Twenty-third division, military district of Ken-  
tucky—have been appointed Captains in the  
One Hundred and Twenty-fourth regiment U.  
S. C. I. How are you, Captains?

**How is it that the New York Manu-  
facturing Jewellers' Association** can afford to sell  
tickets for a first-class concert at one dollar,  
and with it give a present worth from one to  
five hundred dollars? Go and see how it is  
done, at 321 Fourth street.

**Along the coast,** on the Kentucky side  
of the river hence to Henderson, order is  
again restored. Guerrillas all infest portions  
of Madoe and Breckinridge counties, but  
they have not demonstrated in any large  
force for several days.

**On next Friday** (being the last Friday  
in the month) the regular monthly declam-  
ing of the Male High School will take place  
in the chapel of that institution at 9 o'clock  
A. M. The public are invited to attend.

**Carriers Driven.**—We noticed a wagon  
load of split-bottomed chairs being a horse  
down Green street yesterday afternoon faster  
than the law allows. The driver was some  
distance behind, chasing both.

**The pumps on the corner of Third and  
Broadway** and on the corner of Sixth and  
Walnut streets are out of repair. Will the  
pump doctor be kind enough to pay them a  
visit?

**If Mr. A. W. Bryant,** from Nashville,  
Tennessee, is in the city, he will find his  
brother by calling at Brown's Hotel, on Jef-  
ferson, between Sixth and Seventh.

**Owing to illness in the family of Dr.  
Miller,** the party to be given to the W. B. I.  
Club will be postponed indefinitely.

**We received no mails** until late last  
night, on account of there being no ferryboat  
to bring them over the river.

**See advertisement of farm** had want-  
ed in another column.

## Outrageous Conduct—Citizens Murdered by Soldiers—Stores Robbed, &c.

The constant increase of outrages on the  
part of soldiers is becoming a matter of com-  
mon occurrence, and unless something is  
done on the part of our military authorities to  
put a stop to the same, there is no telling  
what may ensue. During Monday night and  
yesterday portion of our city known as  
Portland was in a perfect state of excitement.  
All the stores being closed, and the citizens  
were all fleeing to venture from their homes.  
The cause of the excitement was the con-  
duct of the soldiers lying at the wharf on  
Monday night. A party of them, consisting of  
five or six, went to the house of Pat. Burk, on  
Water street, between Commercial and Fulton  
streets, and without the least cause or  
provocation shot him down. The facts in the  
case as elicited before the coroner's jury are  
as follows:

Some time during Monday two men  
employed on a boat engaged boarding at the  
house of Burk, stating that they would return  
at night. About 7 o'clock some one knocked  
at the door, and they were admitted by Mr.  
Burk. While he was up stairs showing the  
persons to their room, another knock was  
made at the door, which was opened by  
Charles Lammann. No sooner had he opened  
the door than he was knocked down by a  
saber in the hand of one of the soldiers. He  
was then dragged out of the house by the sol-  
diers, who advanced to the center of the room  
and commenced an attack upon Mr. Burk,  
knocking him down with their sabers. After he  
was felled to the floor one of the party, who  
was unknown to any of the witnesses  
examined before the coroner's jury, drew his  
pistol and fired, the shot striking effect in the  
arm of Burk and passing through his liver,  
causing almost instant death.

After the killing of Burk, the party com-  
menced a wholesale plunder of robbery, and  
the lives of the persons and property of the  
town were not safe. Nearly every store in the  
place was entered and robbed of various arti-  
cles, and whenever the proprietors made any  
resistance they were threatened with death.  
After committing these outrages, the soldiers  
quietly proceeded to the boats at the landing,  
where they have quietly remained since with-  
out being arrested.

On Sunday night, about 10 o'clock, a party  
of the same regiment went to the house of a  
widow lady, residing in Portland, and com-  
menced to prepare for them a warm supper,  
after which they robbed her of what money  
she had.

This conduct on the part of Federal soldiers  
is a disgrace to the service, and it is the duty  
of the officers, not only for their own credit,  
but for the good of the cause in which they  
are engaged, to have the authors of this out-  
rage arrested and brought to justice. All the  
stores in Portland were closed during yester-  
day, and the citizens were hourly in expecta-  
tion of a renewal of the lawless conduct.

Among the parties robbed was Maria Ho-  
lcomb, who was relieved of his watch and a  
quantity of money. The whole affair was  
nothing but a species of regular guerrilla  
warfare by Federal soldiers against peaceful  
and inoffensive citizens.

**BLANDY'S PORTABLE STEAM SAW MILLS**  
AND PATENTED PORTABLE STEAM ENGINES.—We  
welcome to our advertising columns again  
Messrs. H. & F. Blandy, of Zanesville and  
Newark, Ohio, with their fine portable engines  
and saw mills. Though well known in Ken-  
tucky and South before the war, some of our  
readers will be glad to know that they are still  
on hand and ready to supply all who desire  
their really fine and useful machinery. A  
very large number of their engines and mills  
are owned in Kentucky, and all have given  
owners full satisfaction. It will be seen they  
are now proprietors of the Newark Machine  
Works, at Newark, O. They can be addressed  
at Zanesville or Newark, as those desiring cir-  
culars prefer.

The ferryboat John Shallosore is still  
staid aground upon the falls, and the other boat  
used as a ferryboat between Louisville and  
Jeffersonville is out of order. With this con-  
dition of things the Jeffersonville ferry is  
pretty well played out for the present. The  
steamerboat Gipsy is plying between our city  
and Louisville as a packet, subserving as  
best it can the public in this emergency. Her  
passenger list is as follows: Louisville, 100,000  
people, with a population of over 100,000  
people, need some facilities to meet the wants  
of travel between Louisville and Jeffersonville,  
and the vast country beyond.

**BURIED ALIVE.**—For some time past a party  
of men have been engaged in digging a boer  
or bar in the hill of Prestons Woods. Yesterday  
morning while the men were at work engag-  
ing in digging, the bar came away, and two of  
the number were buried beneath the ruins,  
one of whom was saved. The other, John  
Salisbury, was dead before he could be ex-  
tricated from the pile of clay. The coroner  
held an inquest, and the jury returned a ver-  
dict in accordance with the above facts.

**A DESERTER MADE LOYAL.**—M. D. S.  
Peters, company B, 8th Kentucky Rebel in-  
fantry, deserted his regiment at Corinth, Mis-  
sissippi, some time ago, and walked all the  
way to this city, arriving here yesterday. He  
was permitted to take the cash and give \$5,000  
bonds, with security, and return to his home  
in Hardin county, in this State.

**Accidents.**—Day before yesterday a lady  
with a child in her arms fell through the  
glass railing into the cellar in front of Mer-  
canton's clock store, under the National Hotel.  
Both were slightly injured. Necessary re-  
pairs are being made on the grating which  
we hope will make them more secure here-  
after.

**Yesterday was a cold day.** The sun  
shone occasionally, but was not warm enough  
to melt the snow. The ground was in good  
condition for sleighing, and quite a number  
of sleighs were seen gliding through the  
streets.

**For one dollar** tickets to a first-class  
concert and a free gift, ranging in value from  
one to five hundred dollars. You can obtain  
this by calling at Tripp & Cragg's music store,  
No. 321 Fourth street.

**On Monday evening** an old man whose  
name we were unable to learn; was run over  
and badly injured at the corner of Preston and  
Madison streets by a sleigh.

**A driver of one of the transfer wagons**  
fell from his seat yesterday afternoon, on Main  
street, about Fourth, and was slightly injured.

**E. Frank, co. B, Seventeenth Kentucky,**  
was arrested yesterday on the charges of being  
a deserter and guerrilla.

**We noticed a large drove of mules** for  
Udell Bam's service passing up Market street  
yesterday.

## Amusements.

**WOOD'S THEATRE.**—At this popular place of  
amusement the beautiful play of the "Seven Sif-  
fers" was again produced last night to a large  
and fashionable audience. The charming Miss Lita  
was warmly received and gave more than her  
share to the large number of persons present. The  
piece is one of great interest, and has been placed  
on the stage in an excellent manner—the machi-  
nery being so arranged that the pieces of the  
plot are perfect. It will be repeated when we  
have no doubt that there will be another crowded  
house.

**LOUISVILLE THEATRE.**—The Florence, whose  
reputation is world-wide, are the recipients of  
large and highly appreciative audiences. They ap-  
pear to-night in two of their favorite pieces, and  
will be followed in the next place by the  
entertainment of the minstrel troupe who are now  
holding forth there. Their entertainment was  
good, and nothing was said or done during the  
evening that could offend the most fastidious per-  
son. To-night they will present the audience with  
an entire change of programme, and the entertain-  
ment promises to be one of the best ever given in  
this city.

**AMUSEMENT.**—The attendance at the minstrel  
last night in the Masonic Temple was not as  
large as expected; however, it was very good, and  
all were delighted with the performances. To-  
night, the Gift Enterprise concert comes off, and of course  
the holders of tickets will all hail to attending.  
On Friday night Mr. Cook, the agent, has a  
benefit.

**COMING IN.**—During the recent retreat of  
Hood and his scattered forces the desertions  
have been very heavy indeed. Within the  
past few weeks it is wonderful to notice the  
number of deserters who have reported at  
Nashville, Huntsville, Chattanooga and this  
city, and who have taken the oath of allegi-  
ance and been furnished with free transportation  
by the Government to their homes or  
wherever they choose to go. In many in-  
stances deserters have, instead of taking the  
oath of allegiance, joined guerrilla parties,  
and go about through the country committing  
all sorts of depredations. This is the case  
with the deserters from the Louisville and  
Newark, through their present and gen-  
eral agent, R. A. Brown, Esq., of  
Jeffersonville, in Kentucky.

I cheerfully commend the above to the  
business community.

**W. A. WARNER,**
